We have restructured our tuition schedule in order to make it more affordable to add on enrichment days. Please note that there is a built-in incentive for registering for five days a week. We are hoping to make it easier for our families to choose full-time programs in September and to discourage many changes throughout the year. *Please also note that days added on after registration will not be prorated on a week by week basis.* New registrations or changes made between the start of school and November 29th will be charged the full tuition. Registrations/changes made between November 30th and February 1st will receive a 25% discount on the annual fees. Registrations/changes made after February 1st will receive a 50% discount on the annual fees. **This policy applies to tuition, enrichment classes, and the early bird/extended care programs.**

A different enrichment program will be offered every afternoon and is included in the 9-3:00 programs. However, 3's and 4's who leave at 1:00 may add one or more enrichment classes to their schedule for an additional \$350 per class for the year. Choices may include art, cooking, Spanish, science, sports and movement. There is no tuition adjustment for families who choose to pick up before dismissal at 3:00.

For Early Birds...The Breakfast Club, an early drop-off program, will run five days a week from 7:30 am to 9 am. The cost is \$300/day for the year or \$1,500/year for five days a week.

Extended Care will be offered for the 3's and 4's. Pick-up is at 4 pm/3:30 on Fridays. The cost for this extended program is \$300/day for the year or \$1,500/year for five days a week.

In addition to tuition, a non-refundable registration fee of \$250 is due at time of registration in order to save a spot for your child. Tuition may be paid in full (with a 2% discount), semi-annually, or quarterly.

Register by March 9, 2018 to receive a \$100 credit. This will show up on your statement as a registration credit.

Returning students will receive a \$100 credit against the last month's tuition. Siblings will receive a 10% discount off of the lesser cost program.

All graduates of the 4-year old program are entitled to FREE Sunday religious school kindergarten classes at the Temple Ner Tamid Religious School.
