RESTORE!

Temple Ner Tamid has begun one of the most exciting projects in our history: to restore our aging Torah scrolls. Guided by the capable hand of our scribe, Linda Coppleson, faded portions of the Torah will be rewritten, torn seams will be sewn, and the sacred parchment will be lovingly cleaned by hand.

RENEW!

In this new Jewish year 5767, we invite you to have a hand in this sacred and important project. By sponsoring a part of the Torah restoration, you and your family will have the once-in-a-lifetime opportunity to help the scribe actually write at least one letter in the Torah! This deeply moving and satisfying experience will bring the vibrancy of our traditions and heritage right to your family's fingertips.

REJOICE!

This year, our temple will be filled with “hands-on” celebrations, educational experiences for youngsters and adults, and scribing sessions. Only with your active participation and generous financial support will we be able to complete this necessary and vital mitzvah—the last of the 613 mitzvot—to help write a Torah.

RETURN!

Please complete the enclosed card and return it with your valued contribution in the enclosed envelope. Scribing in the Torah is a wonderful way to honor your family, remember loved ones, or mark a special occasion such as a Bar or Bat Mitzvah. We look forward to welcoming you and your family to the Torah!
